Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Wednesday 18 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Some drizzle and rain through the night. Drier further east.

This Evening and Tonight:
Staying dry for most this evening, but for the odd patch of drizzle along windward coasts. Overnight, a band of light rain will move eastwards across Cornwall and Devon with drier, clearer conditions following. Minimum temperature 10 deg C (50 deg F).

Thursday:
Rain clearing through the morning, followed by some scattered showers later, some heavy. Occasional sunny spells through the day; becoming generally dry by the evening. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
Generally dry and bright Friday, with some patchy rain possible later. More unsettled over the weekend, with widespread, heavy rain arriving Saturday morning. Rain and scattered showers through Sunday.
